

ACINETOBACTER 2019
12th INTERNATIONAL SYMPOSIUM
ON THE BIOLOGY OF ACINETOBACTER
SEPTEMBER 4-6 | FRANKFURT, GERMANY

CALL FOR ABSTRACTS!

Dear Colleagues,

we are pleased to remind you that the 12th International Symposium on the Biology of *Acinetobacter* will be held in Frankfurt (Germany) from September 4th to 6th, 2019. **Registration via the website <https://www.acinetobacter2019.com> is now open!**

In the tradition of these conferences, Acinetobacter 2019 aims to share the updated state-of-the-art of research in the biology and in clinical aspects of *Acinetobacter* spp. and to stimulate high quality research, inspiring those already working in the field as well as young scientists approaching *Acinetobacter*.

The conference will include sessions on many aspects of the biology on *Acinetobacter* including population genetics and evolution, pathogenicity mechanisms, antibiotic resistance, genetics and regulation of infection, metabolism and regulation, adaptation and persistence, epidemiology and new therapeutic approaches.

We kindly invite you to attend the meeting and enjoy a stimulating congress and our hospitality. We particularly encourage young researchers to join and present their work. We are working to ensure a very interesting congress and a memorable event. More details and instructions for abstract submissions can be found on the website <https://www.acinetobacter2019.com>. ^[1] Abstracts for oral or poster presentations must be submitted by June 7, 2019. Abstracts may only be submitted via email to abstracts@acinetobacter2019.com

Please forward this mail to colleagues who might also be interested in attending the meeting.

We look forward to welcoming you in Frankfurt in September 2019!

Warm regards,
on behalf of the Acinetobacter 2019 Scientific Advisory Board,

Beate Averhoff
Professor of Microbiology
Conference Chair Acinetobacter 2019
